

Pathways to Teaching Education in the World

May 14, 2020

Lesson: May 14, 2020

Objective: Students will be able to research education in other countries.

Learning Target: 4.3.5

How to do assignments:

If you created a google doc last week, continue on it. If you did not, then:

- Create a google doc.
- Put today's date and the lesson topic
- Put the questions and answers under that date. (You may need to copy the questions from the lesson and paste them into your doc)

Today, we will continue to look at education around the world.

You will go to the following website and use it to answer the questions on the next slide.

[Education in the World](#)

1. What country has the best education system in the world?
2. What are the top five countries for education in the world?
3. What number is the the USA on this list?
4. When looking through the rankings, what topics do they base their rankings on?
5. Throughout your years in school, would you have guessed the USA would have ranked higher or lower and why?
