

Pathways to Teaching

Career Research

May 5, 2020

Lesson: May 5, 2020

Objective: Students will be able to research an educational career that they are interested in.

Learning Target: 4.2.1

How to do assignments:

If you created a google doc last week, continue on it. If you did not, then:

- Create a google doc.
- Put today's date and the lesson topic
- Put the questions and answers under that date. (You may need to copy the questions from the lesson and paste them into your doc)

This week will be all about planning for your future career as a teacher.

Today and tomorrow, you will be researching a career of interest to you in the education field. You will be researching questions that are on the next slide.

Put your answers in the google doc. for this class work.

Possible careers: specific subject/grade teacher, counselor, principal, special education, preschool, athletic director, etc.

1. What career did you choose to research?
2. Why did you choose that career?
3. How much schooling does someone need to do that career?
4. Name 3 colleges someone could go to in order to do this career.
5. What age of children would you be working with?
6. What is the average salary for this career?

You will continue with more questions on this career tomorrow.
