

# Pathways to Teaching

# Creating Positive Relationships

April 29, 2020

Lesson: April 29, 2020

**Objective:** Students will be able to explain how teachers can form positive relationships with students.

**Learning Target:** 13.1.1

## How to do assignments:

If you created a google doc last week, continue on it. If you did not, then:

- Create a google doc.
- Put today's date and the lesson topic
- Put the questions and answers under that date. (You may need to copy the questions from the lesson and paste them into your doc)

Yesterday, you learned by teacher and student relationships are important. Today, you will learn how a teacher can form positive relationships with students.

You will be using the following article to answer questions on the next slide.

<https://www.edutopia.org/article/6-strategies-building-better-student-relationships>

1. List the 6 steps to build positive relationships. Then give a brief description of what that means or looks like.
2. Describe where you have seen this in your school experience.
3. What is your opinion of assigned seats and why?
