

Pathways to Teaching

Education in the World

May 13, 2020

Lesson: May 13, 2020

Objective: Students will be able to research education in other countries.

Learning Target: 4.3.5

How to do assignments:

If you created a google doc last week, continue on it. If you did not, then:

- Create a google doc.
- Put today's date and the lesson topic
- Put the questions and answers under that date. (You may need to copy the questions from the lesson and paste them into your doc)

Today and tomorrow will be about how education looks all over the world.

Today, you will look at 2 different websites to get an idea of how education is different.

Watch this video and answer the questions on the next slide.

[Journey to School](#)

After watching the video, answer the questions on your doc.

1. What surprised you about this video?
2. Do you think that this affects their schooling once they get there?
3. How would your school life be different if you had to travel this way to get to school?
4. Should teachers treat students differently because of their homelife?

Go to the following website and use it to answer the questions below.

[Classrooms Around the World](#)

1. Looking at the pictures of classrooms, what surprises you?
2. How does it make you feel?
3. Which classroom where you the most shocked by?
4. How would being a teacher in these classrooms be different than what we have here in the USA?
