Career Research

May 6, 2020

Lesson: May 6, 2020

Objective: Students will be able to research an educational career that they are interested in.

Learning Target: 4.2.1

How to do assignments:

If you created a google doc last week, continue on it. If you did not, then:

- Create a google doc.
- Put today's date and the lesson topic
- Put the questions and answers under that date. (You may need to copy the questions from the lesson and paste them into your doc)

This week will be all about planning for your future career as a teacher.

You are going to continue your career research that you began yesterday.

Put your answers in the google doc. for this class work.

1. What skills do you think someone would need to do this career?
2. What would be some challenges of this career?
3. What would be some benefits of this career?

Write a paragraph reflecting on your research. Explain if this is something that you are going to consider for your future or not and why.
