

Professions in Education Virtual Learning

HS/Types of Schools

April 13th, 2020

HS/Professions in Education
Lesson: April 13th, 2020

Objective/Learning Target:

Students will understand the different types of schools in which teachers can work and deliberate over which they'd prefer.

Standard:

4.1.2

HS/Professions in Education

Lesson: April 13th, 2020

Bellwork:

What do you think are some of the differences between public and private schools?

How to do bellwork and assignments

- Create a google doc for Professions in Education
- Title it with your full name and the name of the class with a VL in front for Virtual Learning
- Each day, put that day's date and lesson on a new page of the same doc
- Under the date, have two sections:
 - Bellwork
 - Assignment

Example Google Doc

Lesson #1-Monday, April 6th

Bellwork:

Assignment

Background Information

- ★ Read through the attached notes on types of schools. Feel free to take notes on your own paper or a Google Doc to help you organize the information in a way that makes sense to you and helps you understand and remember the information.
 - [Types of Schools Notes](#)

Activity

Your Perfect School:

- ★ Answer the following prompt in your Google Document assignment sheet. Using the notes you just reviewed, be sure to include facts, definitions, examples, and anything else that you would like. Use complete sentences. It should be at least one page in length and thorough in your descriptions.

Writing prompt:

- ★ If you were a teacher, what type of school would you like to work in and why? (school size, location, type, etc)

Practice/Additional Resources

- ★ Explore these unique schools in our area and discover what their main focus is for learning and in what ways they accomplish that.
