# Un message de ta prof

Salut!

C'est vendredi! Hip, hip, hip, hoorah! Félicitations! C'est le dernier jour de l'école! This is the strangest last day of school I've ever experienced! I'm so sad that I can't say goodbye in person to all of you. For freshmen, sophomores, and juniors, I'm so excited to see you in person next year! Seniors, I will miss you so much! Come visit your old French teacher! I love to see former students! Plus, it would be great to say a proper "au revoir!" Thanks for being my "raison d'être!"

À plus tard,  
Mme Davis

# Les vacances

Hopefully you are able to have some sort of vacation this summer, even if it involves wearing a mask the whole time! Safety first always!

# BONNES VACANCES!!!

# La Nouvelle Orléans

Suivez le [lien](#) pour visiter la Nouvelle Orléans.

There you can click on many amazing locations to explore in New Orleans. When I was there, I was able to visit many of them.

Visit le Café du Monde in the French Market and the Audubon Aquarium. Explore the links at the bottom, but be sure to do the full tour as well because it's like walking around New Orleans.

Tell me 5 things you've learned about New Orleans from your virtual tour.

Click the image for a recipe to make them at home!
