# jeudi

Thursday-French I

# Learning Targets

Bon jeudi !

Today we will review animals, the sounds they make and possessive adjectives. We will also learn more about what people in Europe are doing during these difficult times.

# Warm Up

Watch the video and tell me what “nagent” means?

# Possessive Adjectives

In French there  
are 3 ways to  
say “my.”

Mon  
Ma  
Mes

For  
Masculine words  
Feminine words  
Plural words

# Possessive Adjectives-Question?

How do you know when a word is masculine, feminine or plural?

A word is masculine if it uses “le” for “the;” feminine if it uses “la” for “the;” and plural if it indicates more than one person or thing.

# Further Explanation

In French, a noun is plural if an extra “s” or “x” is added to the end. (The “x” is usually used for words ending in “eau” or “eu.”)

## Examples

Singular	Plural
La vache	=> Les vaches

L'oiseau	=> Les oiseaux
----------	----------------

# Possessive Adjectives-Examples

The cow=  
La vache

My cow=  
Ma vache

The pig=
