La Tour Eiffel Virtual Visit

Currently the Eiffel Tower is closed due to the quarantine, but some things are starting to open back up in Paris. Since we can't travel there right now anyway, let's do a virtual tour.

Follow this [link](#) to do a virtual tour of the Eiffel Tower.

To move around, use the box in the bottom left hand corner to move the little yellow man icon. It will take you to different areas around the Tower and also up to different levels. There are different pictures taken at different times of day too.
