# Vendredi, le 15 mai

Friday, May 15

### Un message de ta prof

Salut!

C'est vendredi! Hip, hip, hip, hoorah! I can't wait to do that with a class full of students again! On va finir avec le corps et la santé.

À plus tard, Mme Pruente

## Today's Checklist

Objective: Students will be able to communicate about their body, symptoms, and general health.

- □ Bellwork
- ☐ Chez le médecin
- ☐ Une blaque
- ☐ Extra practice (optional)

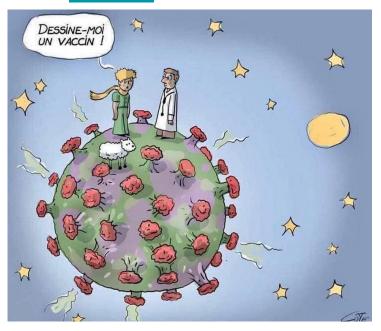

#### Bellwork

Pour chaque personne, donne des conseils. Ex: Jacques a la grippe. Repose-toi bien, boit beaucoup d'eau

- Chloë a un rhume.
- 2. Patrique et son fils ont COVID-19.
- 3. Jérôme est déprimé (depressed).
- 4. Tu t'es cassée la jambe.

#### Chez le médecin

Finish up your dialog! Be sure to submit by the end of the day! Refer to this <u>rubric</u> for all the details.

Some of you may have read "le petit prince" or even seen the movie, but it's a French classic! It's about a little boy who draws and the adults never understand his drawings. So, the little prince is now asking the doctor/adult, "Dessine-moi un vaccin!"

## Extra practice

Another version of "Tête, Epaules." This time, do the song with a family member and teach him/her the body parts! I think this guy is a little creepy, what do you think?

## Head start for Monday-research French films!

You're going to be writing a 1 paragraph summary in French about a French film or series. You can think of it as a film review. Start searching for what film you would like to do! Click here for several options for free French movies to stream online. There are many other choices in other platforms as well (netflix, youtube, amazonprime, etc.) We are not requiring you to pay for one, choose a free option! Make sure your film/series is school appropriate!
