# Un message de ta prof

Bonjour!

Cette semaine, on va finir avec les journées typiques et puis commencer les parties du corps et la santé. Did you notice my bitmoji on the previous slide? It's a perfect example of French "text lingo." JTM means *je t'aime* and BIZ is short for *bisous*, which means kisses, but is a common signature in notes or messages.

bisous,  
Mme Prunte

# Today's Checklist

Objective: Master the use of reflexive pronouns and vocabulary in present and past tenses.

# Bellwork

- Look over the work you did Friday. Double check your verb conjugation, spelling, and sentence structure. Email a classmate or your teacher your work to see what corrections may need to be made.
- Click on the image to check out [cupoffrench.com](http://cupoffrench.com) and their explanation of reflexive verbs. The site is really cool and has TONS of tools for you to use for other French lessons!

# L'actualité

- Trouvez l'équivalent de "oser et bigouden" en anglais.
- Quel est le message en anglais?

➔ See the following slide for follow up.

# L'actualité la suite

Protection et distance de sécurité: Osez le masque bigouden! = For protection and distance security, dare/try the brittany mask!

The bigouden, is a lace hat, typical of the Brittany region (see images to the right) in France, la Bretagne. The “breton(ne)” are famous for their traditional dress, food (les crêpes!), culture, and they even have their own [language](#) (this link has a few interesting ones for you!)

# Ta Journée Typique

This is just the same slide from Friday, continue working on your project!

Vous allez créer un diaporama (slideshow)/infographie (infographic) de ta journée typique avant le confinement et après-au moins 5 choses. Il faut avoir des images aussi (des photos, bitmojis, ou "stock images"). If you don't want to use photos of yourself, feel free to pretend you are a celebrity or cartoon character, etc. You can start working today and will turn this in by Tuesday, May 5. Check out this [rubric](#).

Voici un exemple:

Avant le début  
du  
confinement:

Je me suis  
levée tôt le  
matin pour se  
dépêcher toute  
la journée!

Après le  
confinement:

Je m'ennuie  
tous les jours  
devant mon  
ordinateur.
