# German 1

May 21, 2020

Lesson: May 21, 2020

**Objective/Learning Target:**

**I can state what I do in the different seasons.**

Bellwork: Let's review the seasons! Match the season to the picture!

- 1) Frühling
- 2) Winter
- 3) Sommer
- 4) Herbst

a)

b)

d)

c)

## Bellwork: How'd you do?

- 1) Frühling
- 2) Winter
- 3) Sommer
- 4) Herbst

**B**

**C**

**A**

**D**

**a)**

**d)**

**c)**

**b)**

To say what we do in the season, we're going to be using the word "im". Let's see some examples.

**Im** Sommer schwimme ich. → In the summer, I swim.

**Im** Winter schlafe ich. → In the winter, I sleep.

**Im** Frühling lese ich. → In the spring, I read.

**Im** Herbst gehe ich spazieren. → In the fall, I go walking.

Let's see those examples again. Remember, **time** likes to be early in the sentence. The **verb** comes second so sometimes the **subject** comes after the verb, which is odd for english speakers. Also, notice there is **NO comma** in the german sentences. Everything else can just be tacked on at the end.

Im Sommer schwimme ich.

→ In the summer, I swim.

Im Winter schlafe ich.

→ In the winter, I sleep.

Im Frühling lese ich.

→ In the spring, I read.

Im Herbst gehe ich spazieren.

→ In the fall, I go walking.

Let's practice a bit. Let's build a sentence using each of the four seasons. First let's brainstorm. Write down **each season** and then write down **an activity** from our words we've used this week. Make sure to do this **auf Deutsch!** You'll have 4 seasons and 4 activities.

## Example

Herbst → Musik hören

??? →

??? →

??? →

Practice: Now that you have your seasons and activities, let's build some sentences. You can use mine to build sentences if you'd like but I encourage you to use your own. Write 4 sentences about what **you** do each season.

### Example

**Herbst** → Musik **hören** → **Im Herbst** **höre** **ich** Musik.

Frühling → Spazieren gehen →

Winter → lesen →

Sommer → Sport machen →

Here are mine. How did you do? It might be tricky at first, but stick with it!  
Each time you try, it gets a little easier.

### Example

**Herbst** → Musik **hören** → **Im Herbst** **höre** **ich** Musik.

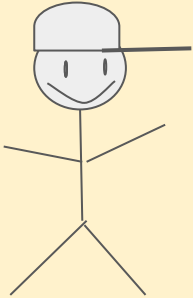

**Frühling** → Spazieren **gehen** → **Im Frühling** **gehe** **ich** Spazieren.

**Winter** → **lesen** → **Im Winter** **lese** **ich**.

**Sommer** → Sport **machen** → **Im Sommer** **mache** **ich** Sport.

Homework: Pick a celebrity or fictional character [Billie Eilish, Shrek, Captain America]. Draw a little sketch of your selected person and then write what they might do each season. You'll write 4 sentences in total.
