Lesson: May 5, 2020

Objective/Learning Target:

I know some German vocab regarding time.

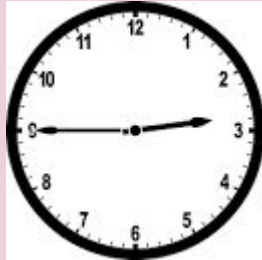

Bellwork: Write the time in numbers for the following analog clocks. Write them in both 12 and 24-hour format.

Answers-- How'd you do?

12:30
00:30

2:45
14:45

3:05
15:05

4:12
16:12

Here's a link to some new words on [Quizlet](#)!

Take some time and run through these new vocab words 3-4 times to really get them in your head.

Challenge- Watch this video twice listen for the vocabulary words you've practiced. First time, turn off the subtitles. Second time, turn them back on! We'll discuss this format tomorrow! I would recommend repeating the vocab words and time to get the sound in your ears. **WRITE** down one question the speaker asks.
