Students will understand how people around the world are using positivity to cope with their circumstances.

Warm up

Translate the following words:

Vecinos

Balcones

Cantar

Ventanas

disfrutar

Positividad

En tiempos difíciles, es fácil sentirse ansioso, y muy solo. No importa los problemas enfrentemos, siempre hay amor, apoyo, gratitud y creatividad en este mundo.

In difficult times, it's easy to feel anxious, and very lonely. No matter the problems we face, there is always love, support, gratitude and creativity in this world.

La positividad en YouTube

Watch the following video about how people in Spain are finding new means of entertainment.

La positividad en YouTube
