

Spanish 2 Virtual Learning

Spanish 1: Gratitud

Por Señoras Cook, Kirchoff, Lamas, Jones, Fonseca

April 22, 2020

Lesson: 22 de abril del 2020

Objective/Learning Target:

Students will be able recognize vocabulary through the use of context and cognates.

Students will be able to understand how Spanish speakers express gratitude.

Vocabulario

gratitud-

gratitude

sanitarios-

health workers

personal de limpieza-

cleaning staff

aplauso-

applause

Gratitud en el Mundo

Watch the following video.

Based on the vocabulary words provided to you above, and what you saw in the video, what do you believe is the reason for the applause?

Gratitud en el Mundo

Look at the image and caption below.

Personal de limpieza , héroes que cobran poco y no son muy reconocidos. Ellos también están al frente de esta guerra contra la enfermedad. Mi gratitud. 🍌🍌🍌🍌

1. List any cognates you can find in the caption.
2. Why is the person who posted this expressing gratitude and to whom are they grateful?

Actividad

Search for posts by using #aplausosanitario. Screenshot your favorite and share it with your teacher.

Reflection

What is your favorite way to show gratitude?

Do you believe that it is important to show gratitude to essential workers?
