

Freshman Academy Virtual Learning

Personal Finance

May 12, 2020

Lesson: May 12, 2020

Objective/Learning Target:

- Conduct various banking activities, such as write a check, use an ATM, make a purchase with a debit card, make a deposit, and pay bills
- Learn how to complete a check register and why it's important for understanding your cash flows
- Understand how to balance and reconcile their checkbook and how doing so helps protect their money

Warm up (think out loud, or write your answer down)

What percent of Gen Z (14-21 year olds) have a payment app on their phone?

Warm up (think out loud, or write your answer down)

48%

Lesson

Complete the five questions on the Data Crunch worksheet.

Exit Ticket

1. Are the skills you learned in today's lesson (writing a check, using a check register, reconciling your account) still relevant in today's online and mobile banking world?
 - a. If yes, explain why.
 - b. If no, what processes would you use instead to be sure your account is well managed and safe?
