Lesson: **May 22**

Objective/Learning Target:

Students will learn the costs associated with groceries as it relates to a monthly budget.

Success Starter

Why do you think that you are not able to eat out every night? Why do your parents go to the grocery store when you could get fast food every night? Is it possibly cheaper to buy from the grocery store instead of eating out every night? Think about these questions as you complete today's lesson.

Lesson

The final part of your budget project is the grocery shopping. Complete the google doc:
