## How to do assignments:

If you created a google doc last week, continue on it. If you did not, then:

- Create a google doc.
- Put today's date and the lesson topic
- Put the questions and answers under that date. (You may need to copy the questions from the lesson and paste them into your doc)

Today's assignment is to think about someone in your life that you admire and what makes them admirable.

Look at the prompt on the next slide and then answer questions on the following slide.

## Mad Respect, Yo

**Think about the person or people that you most look up to and make a list of characteristics that this person (or these people) have.**

Why do you respect them? What can you learn from them? As you make your list, write down what you think their definition of respect is and how it's different from your own.

*Respect*

1. Who did you pick?
2. What traits did you write down?
3. What traits do you have that you have that they also have?
4. Have you told them that you look up to them before?
5. What have you learned from them?
