RE: The School District of Independence Foundation, Inc.

The School District of Independence established a 501(c)(3) Foundation in 1992 which administers over 200 separate funds serving a variety of district, student and staff needs, especially in the area of post high school scholarships. All donations are tax deductible as allowed by law. The Foundation has its own Board of Directors and is an incorporated entity through the State of Missouri.

We will be glad to work with you on memorial gifts, wills, trusts and estates or in any other way you may want to help. Thank you for your support of this effort.

If you are currently helping us with a monthly payroll deduction, we thank you! If not, please consider beginning one by enrolling online when signing up for benefits or completing the form below and returning it to the Business Office. Our employees who give \$1.00 or more to the Foundation each payday contributed over \$ 35,000.00 last year. Thanks to each of you!
