SHOW-ME VIRTUAL CONFERENCE Fall 2020

With the current restrictions due to the COVID-19 pandemic, MAEOP's Fall conference 2020 will be different, but still awesome! It will be virtual, but we're bringing you all of the great presentations. No travel costs or hotels. You'll be able to participate in sessions earning PSP credits - and spend time working in your office all in the same day. The conference sessions will be spread throughout the month of October to best fit our busy schedules. You are welcome to participate live or watch the recording at your leisure.

Renew or join MAEOP - Membership form attached.
