The credit union signed up with Tickets at Work in 2017 when Worlds of Fun no longer offered consignment sales. Their new savings offer to our members was to make purchases thru Tickets at Work. The great thing is that there are many more savings available such as theme parks, rental cars, hotels, car purchases, movie tickets and more. This partnership is set up for all our members to have the ability to save lots of money on a variety of things. We hope you will take the time to sign up with Tickets at Work and start enjoying all the savings!
