

College Center

November 2015

Apply Missouri Month comes to an end!

Our seniors have been very busy this month with campus representative visits, campus tours, classroom workshops, and college applications. In the month of October alone, Van Horn students completed 126 college applications! 77 of the seniors that have applied have been accepted to at least one school, while many of these students have been accepted to multiple! While students are still able to complete applications, we have heavily encouraged students to get their applications turned in early to receive the most scholarship dollars that are available to them.

Encourage your students to apply to 3 colleges so they have options when the FAFSA becomes available!

Also a HUGE shout out to the parents that attended our senior night during Parent Teacher Conferences. During this meeting we went over graduation requirements, important senior dates, and the ISD Foundation Scholarships. If you could not attend, your student will receive their folder / ISD Foundation Scholarship book in their English class in the next week or so!

Upcoming Events / Deadlines:

November 5th- Donnelly Campus Tour

November 6th- December ACT Registration deadline

November 7th- SAT

November 11th- Mizzou Campus Tour
