Kindergarten Social Studies

Lesson: 15

Learning Target: I can identify wants and needs of others.

Background:

- The student can make choices.
- The student can identify a want.
- The student can identify a need.
- The student determines the difference between a want and need.

Warm up:

What is something that you want?

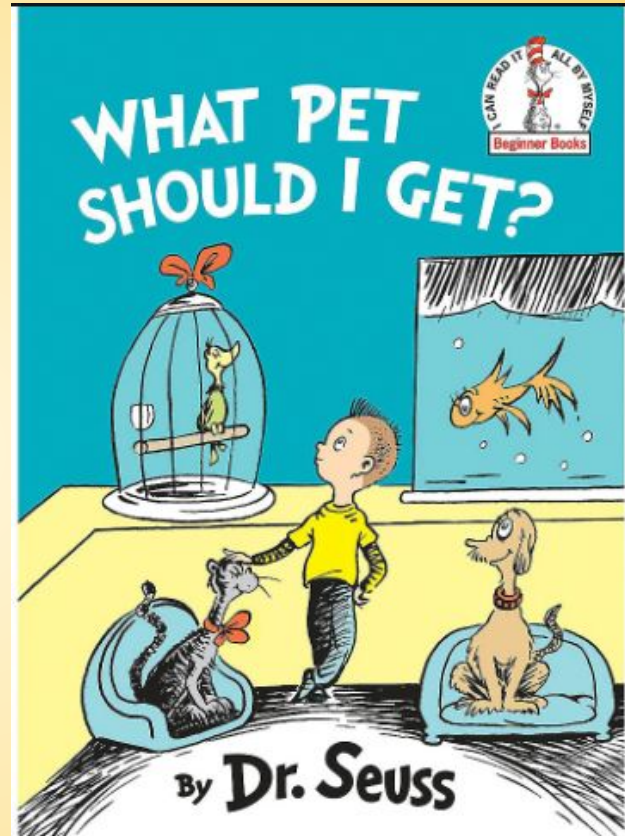

What is something you need?

Let's Get Started:

Read:

What Pet Should I Get?

By: Dr. Seuss

What
pet
would
you
pick?
Why?

Practice #1:
Tell your grown up!

Cat

Dog

Bird

Yent

Fish

Practice #2:

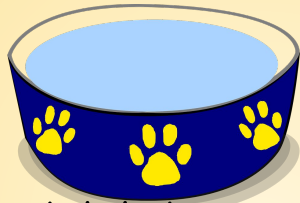

Tell your grown up!

Pencil

Shelter

Water

Food

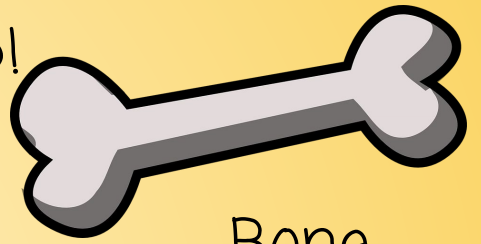

Which one of these would a pet dog Want? Why?

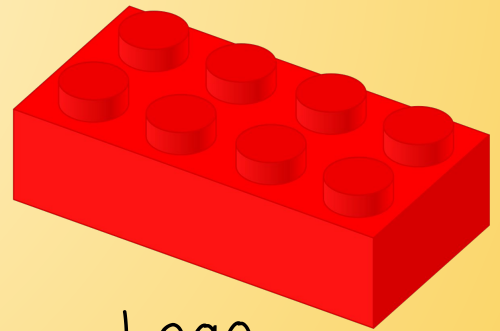

Practice #3:
Tell your grown up!

Chocolate

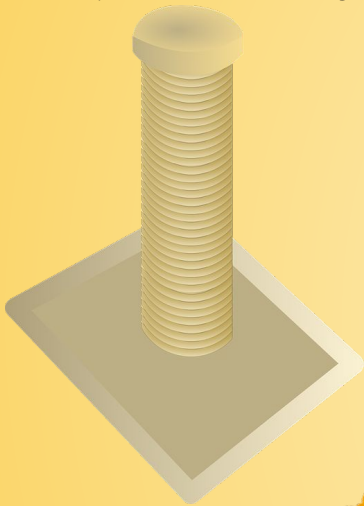

Bone

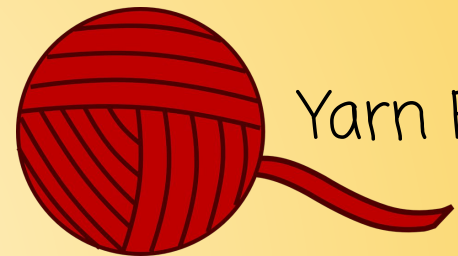

Lego

Point to the wants and needs of a pet cat.

Scratch Post

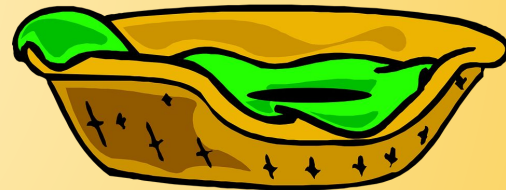

Mouse Toy

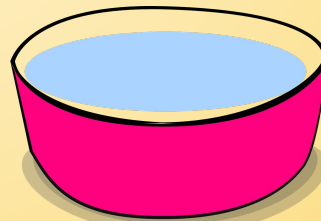

Yarn Ball

Bed

Food

Water

Practice:

What would you vote for?

Ask your family which pet they would choose.

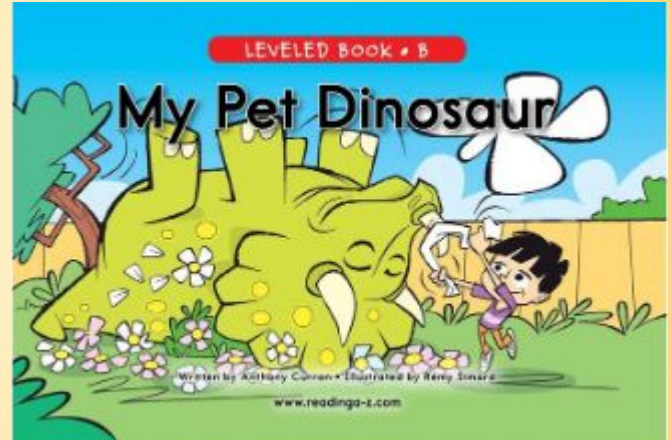

Talk about what would be a want and need of your pet?

Even More Practice:

Read:

My Pet Dinosaur

Talk with your grown-up about what you think the **wants** and **needs** of the pet Dinosaur might be.

Self Check:

Go tell someone in your home your answers.

1. Was this lesson?

- easy,
- just right
- hard

2. What is something both you and your pet want and need?
