

# Transition Internet Safety

## Lesson: April 22th, 2020

### **Learning Target:**

Students will refresh their knowledge on internet safety

## **Background: This is a review lesson from social studies class**

- Students have learned about using the internet throughout their school career
- Students learned about what is safe and not safe to share on the internet throughout their schooling.

### **Let's Get Started:**

Watch Videos:

1. [Being Safe on the Internet](#)
2. [5 Internet Safety Tips](#)

# Practice #1:

## What is Personal Information?

Hint: Anything that lets a person know who you are is private or personal information

Is it safe to tell someone your favorite kind of pizza?  
Yes! That's Okay

## Practice #2:

### Is this information Public or Private?

Remember:  
Will this  
information tell  
this person who  
I am?

- ☐ Name
- ☐ Favorite Color
- ☐ Favorite Song
- ☐ Where I go to school
- ☐ My Mom's name
- ☐ My dogs name
- ☐ My phone number
- ☐ My Bus Number
- ☐ Favorite Food
- ☐ My Address
- ☐ My Picture

What are some other things you should never share online?

## Practice #3:

### What about my password?

Even if they say  
they have to have  
your password,  
never share it  
unless it's a teacher  
or parent!

## Practice #4:

What do you do if you get a mean message online?

It's NEVER okay for someone to say mean things! What if they say them online? Who should you tell?

**ALWAYS** tell a parent, teacher, or trusted adult; if you get a message that makes you feel unsafe!
