

# Transition Weather and What to Wear

## Lesson: April 24th, 2020

### **Learning Target:**

Students will learn how to determine what to wear based on the weather.

**Background: This is a review lesson from daily living class**

- Students learned about weather in science class
- Students learned about dressing appropriately for the weather in daily living class

**Let's Get Started:**

Watch Videos:

1. [Seasons, Weather, and Clothes](#)
2. [Seasons and Clothes Song](#)

## Practice #1:

Look at the picture below, is it warm or cold there?

HINT: If it is  
COLD outside,  
you want clothes  
that make you  
WARM

Point to what you would wear in this weather?

## Practice #2:

Look at the picture below, is it warm or cold there?

Hint: If it's HOT  
out...we want  
clothes that  
help us stay  
COOL

Point to what you would wear in this weather?

## Practice #3:

Look at the picture below, what would you want to wear?

Hint: If it's  
RAINING, what  
helps us stay  
DRY?

Point to what you would wear in this weather?

Practice on your own:  
Go to this website:  
[Farmer's Almanac](#)

1. Select either computer or tablet.

2. Then follow the directions for each picture.

3. Ask your parents for help.

4. Great job!

## More Practice on your own:

Go to this website:

[Dress for the Season Game](#)

1. Select either computer or tablet.

2. Then follow the directions for each picture.

3. Ask your parents for help.

4. Great job!

# Practice:

## How to Dress and Dressing for Snow

## Self Check:

Go tell someone in your home your answers.

1. Was this lesson?

easy

just right

hard

2. Now you try, what are you going to wear today?
