

Language Virtual Learning

Friday Fun Activity
Virtual Visit to the Zoo

May 2020

Lesson: May 2020

Objective/Learning Target: Students will name zoo animals and give one detail about the animal.

Background: Learning the names of animals and basic details about them is a fun way to expand vocabulary skills.

Warm Up: Get moving to this song with animal actions.

Let's Go To The Zoo

Lesson:

tiger

What do they eat?

meat

What do they look like?

orange
and black
striped fur

How do they move?

Tigers walk, run,
pounce and
even love to
swim.

elephant

What do elephants eat?

grass and leaves

fruit and vegetables

Elephant's trunks ...

- can lift 700 pounds!
- have excellent sense of smell.
- can grasp objects like fingers.

Elephants live in family groups.

penguin

What do penguins eat?

fish

How do penguins move?

Even though penguins are birds ... they do NOT fly.

They are excellent swimmers and waddle on land.

Where do they live?

Penguins live in places where there is lots of water. Most penguins prefer the cold water but other penguins live in warmer climates.

Practice:

What is this animal?

Does it like to eat lettuce?

What is this animal?

What color is it's fur?

What is this animal?

Show how he moves.

Activities:

1. Listen to the animal sounds. <https://youtu.be/VSGy007Awzq>
1. Check out the live web cams from the Kansas City Zoo.
