Identifying Object Use

May 2020

Identifying Object Use

May 2020

Learning Target:

Students will be able to tell what common objects are used for.

Background:

As language develops, it is important to understand what various objects are used for and to be able to expressively tell object use.

Warm Up:

This short video gives examples of telling what we do with objects at school.

Let's Get Started!

Practice the name of the object,
then talk to your student about
what we do with it.

This is a
cup.

What do we do with a cup?

We drink with a cup.

Practice the name of the object,
then talk to your student about
what we do with it.

This is a
shoe.

What do we do with a shoe?

We wear shoes on our feet.

Practice the name of the object,
then talk to your student about
what we do with it.

This is an
apple.

What do we do with an apple ?

We eat an apple.

Practice the name of the object,
then talk to your student about
what we do with it.

This is a
bike.

What do we do with a bike?

We ride a bike.

Practice the name of the object,
then talk to your student about
what we do with it.

This is a
phone.

What do we do with a phone?

We talk on the phone.

Review: What do you do with these objects?

Self Check:

Kids, how did you feel about this lesson?

1. Was this lesson

- easy
- just right
- hard

- ### 2. What do you do with a Mommy?
- You give her a hug!
