# Sharing

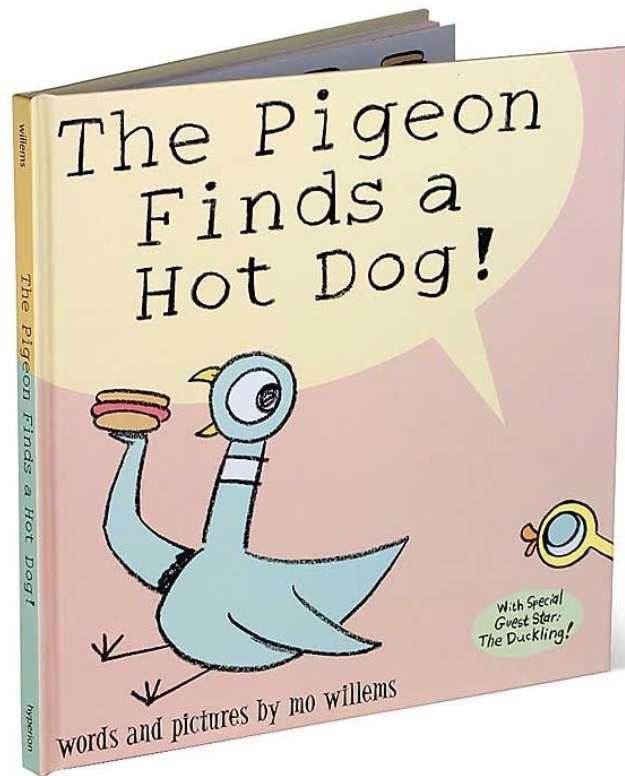

**Learning Target:**  
Students will learn to share.

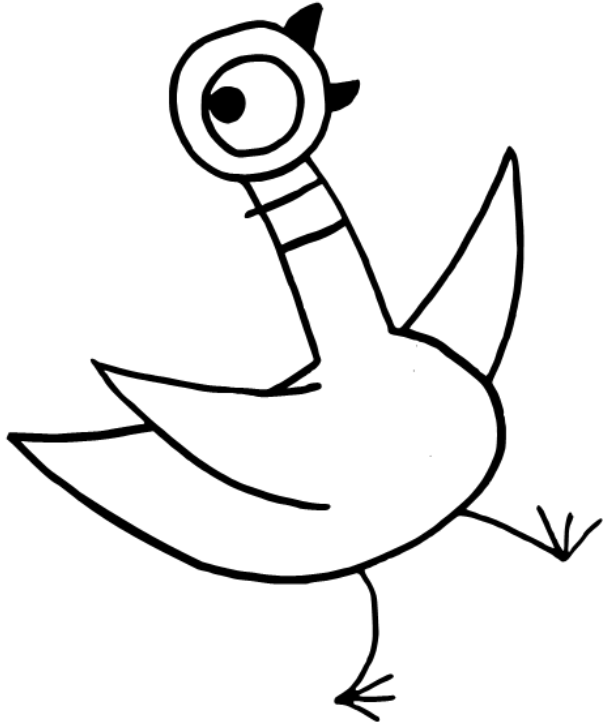

This is a story and guided conversation for child and caregiver.

## Let's Get Started:

Watch and listen to  
[The Pigeon Finds a Hotdog](#)

by Mo Willems.

## Let's think!

What did the pigeon have that duckling didn't?

What was duckling's idea?

Why was sharing the kind thing to do?

What could you share today?
