

Meet Sheldon

Little Blue Elementary's Mascot

Sheldon has served as Little Blue Elementary's mascot since the opening of Little Blue in the fall of 2012. The shark was selected to serve as the school's mascot after students participated in an extensive mascot selection campaign that included nearly 80 mascot suggestions. After students narrowed the mascot selection to 5 options, students overwhelmingly voted for the shark to become the symbol of Little Blue. On Election Day 2012, students once again voted to select the name, *Sheldon*, to serve as name of the Little Blue Shark.

In just a short period of time, Sheldon has made quite the name for himself through consistent appearances at Little Blue events through each school year. Sheldon also proudly serves as the reigning champion of the *Kansas City Kids' Marathon Mascot Race* winning both the 2012 and 2013 events.

Sheldon currently resides inside the main entry of Little Blue Elementary in an electronic fish tank provided by the Little Blue PTA.
