### Dismissal Safety Procedures

The side parking lot will be closed at dismissal from 3:20pm to 4pm each day for walker's safety. It is necessary that motorized vehicles are not in the area as walker's are dismissed.

### Transportation Changes at Dismissal

Please try to contact the office *BEFORE 3PM* should you need to change your student's transportation at dismissal for that day. It would be greatly appreciated!

Also, please be sure your student clearly understands how he/she is getting home every day. Please send a note to the teacher if there is a change.
