

POPS Choir Performing at the Mavericks Game
On Friday, February 6, 2015

The Luff 4th and 5th graders who are in POPS Choir (POPS=Power of Positive Singers) have been invited to sing "God Bless America" for the Mavericks Hockey game!! The date is Friday, February 6th, and game time is 7:05. You can reserve tickets for you and your family members at a discounted price of \$13 each (regular price is approximately \$21 each). **If you do not have a child in POPS Choir and would like to come and watch the game and the choir sing, you are also welcome to purchase tickets!** It is great that we were able to get this on a Friday night with no school the next day. You can bring as many family members as you like as long as they each buy a ticket (children ages 2 and under who sit on their parents' lap are free.) Give ticket money and the form below to Ms. Dawn in the office before January 29th to reserve seats. Send cash or a check made out to "Missouri Mavericks" (all checks require a working phone number).

Specific directions about where to meet will follow in a separate letter to POPS Choir members. Each POPS Choir member must be accompanied to the game by an adult. Only POPS Choir members will go on the ice to sing. It is a fun time!!

Early concession discount is from 5:30-6:30 on hot dogs (\$2), sodas (\$1.50).
