PRACTICE

Get a piece of paper and find something circular like a small plate. The place should fit onto the paper.

Trace along the edge of the plate with a pencil. When you're done you'll have a perfect circle on your paper.

PRACTICE

Next try to separate the circle into 6 equal pieces. If you have a ruler use that to make your straight lines. If not find something with a straight edge like a book.

Your paper should look like this or very similar to.

PRACTICE

Now we will fill our pieces of pie with color. At the very top put red. Skip one and make yellow and skip one again and do blue. You may use color pencil, marker or crayons.

Fill in the entire shape with the assigned color.
