

Art 1 - April 9, 2020

Learning Target - I can finish up my rough draft and start my final.

Art 1 - Virtual Learning

This week will learn about an artist named Edvard Munch and his most famous piece called The Scream. We will dissect this artwork that will allow you to see it in a whole new way.

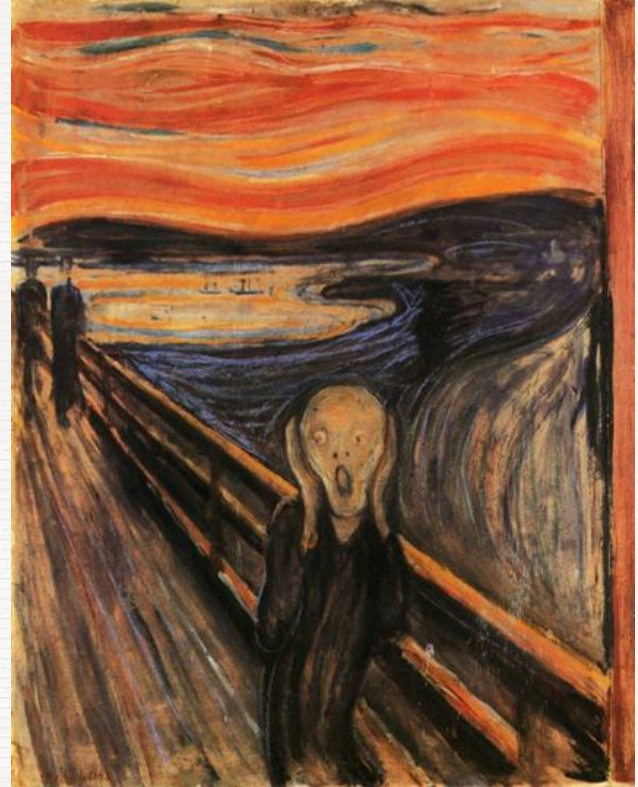

Since some of you may not have the art supplies needed to create artwork we will be learning about artists and if possible, recreating the piece. Mediums you can use are nearly limitless. Crayons, paints, colored pencils, pencils, photography...etc. Let's have fun learning about art in a whole new way!

Week 1, Day 4

4/9/20

Today you should be finishing up your rough draft of your version of The Scream and starting on your final. Look at your rough draft and ask yourself what you could possibly change to make it better. Think of colors that you will be using.

Something to think about:

Remember this should represent you. Take your time and if you need to take a break please do so. One great thing about virtual learning is that you can always go back to your work later. Do not overwhelm yourself.
