Art 1

LESSON: April 23, 2020

Objective/Learning Target: We will be drawing our final flower.

Georgia O'Keeffe Flowers

I hope you have tried a few different flowers out and have committed to a flower that you are comfortable with. Today we will draw the flower again on a blank piece of paper. This will become our final so please draw carefully and light so you can erase easily if you need to.

For today you will need:

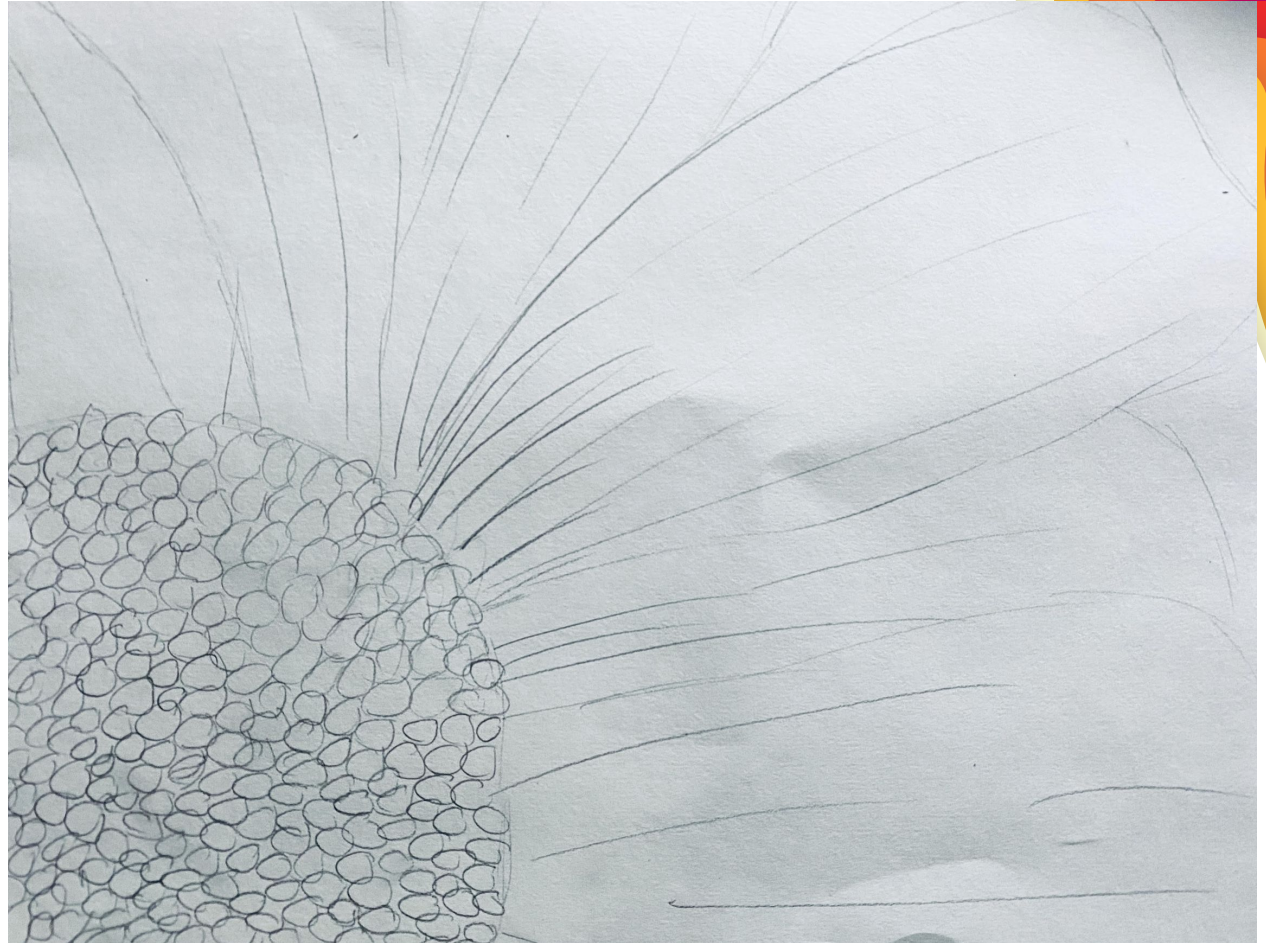

- Paper (blank if you have some)
- Pencil
- Eraser

***Reminder: your flower needs to be enlarged and take up the entire paper.**

Here is my enlarged flower. I chose a sunflower because it is my absolute favorite flower. Things to notice:

- My flower is off center.
- It takes up the entire paper.
- I drew lightly so coloring can be easy for tomorrow.

“

Tomorrow we will color and complete our enlarged flowers. I'm thinking of my color scheme and I will do orange, yellow-orange, and yellow for the petals. Markers are a preferred medium, but if that isn't possible, use what you have available to you.

Feel free to email me with any questions you may have.
