Large Paintings

Baroque (1600s-1700s) Vs. American Realism (Early 1900s)  
Vs. Adam Miller (Today)  
Can you name some similarities!? I definitely see some!

Adam Miller paints to tell stories. When you think about it, this was the main purpose of art hundreds and thousands of years ago. There was not always a written language, and when there finally was, not everyone was allowed to learn it. ART was how we communicated then, and is still today!

One of Miller's First influences was the Great Raphael (1483-1520). He loved Raphael's mastery of figure, light, and details. He mastered the master's technique first, then made it his own.

Raphael, *Madonna Della Segiolla*

Today, choose one of Millers masterpieces. You are going to write a short story (1 Page) based on what you see happening in the painting. The following slides have the paintings to choose from. Be sure to really study the painting first. The mood of the lighting, the background, the small details, expressions, and items included.

How to show  
us your  
creations...

We'd love to see your  
work!!!

Email your art teacher and  
be sure to tag your  
principal as well.

TAKE CARE OF YOU!*

*All the best,
