

WEDNESDAY
APRIL 8

- Learning Target: What can a career as an artist look like today?
 - Lets get started: Watch this artist and Lawyer, [Justin Vining](#)
-

REFLECTION

- Where do you see yourself in 2 years, 4 years, 6 years? Will you still be making art or taking art classes?
- What career path do you see yourself most interested in.. Does art play a role in your life?
- **FINALLY:** Brainstorm as many careers that need some background art knowledge! (Example: Many Hair stylists study color! They also sculpt hair and work with form daily. They have to have an eye for balance as well.)

PRACTICE

It is a beautiful week! Sit outside if you can, or near a window.. get some creative energy from this sunshine, and sketch your own Vining inspired Landscape.

Don't have water colors? You can mix food coloring in water and paint with a cue tip!
