

CLASS: 6TH GRADE ART

April 6, 2020

MONDAY

- Learning Target: How does color impact our lives? Which colors make up other colors?

- Lets get started: Watch this video...

PRACTICE

Now you will make your own FOUND OBJECT COLOR WHEEL using things from around your house or yard. You can use random objects or stick to a theme. Here are some examples:

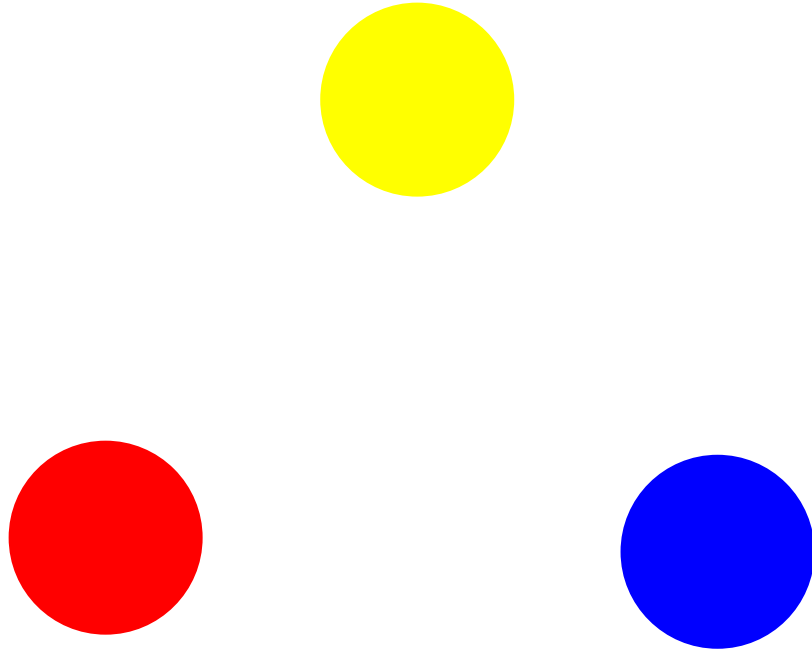

Take a walk around your yard to discover what colors are around you while you get some fresh air!

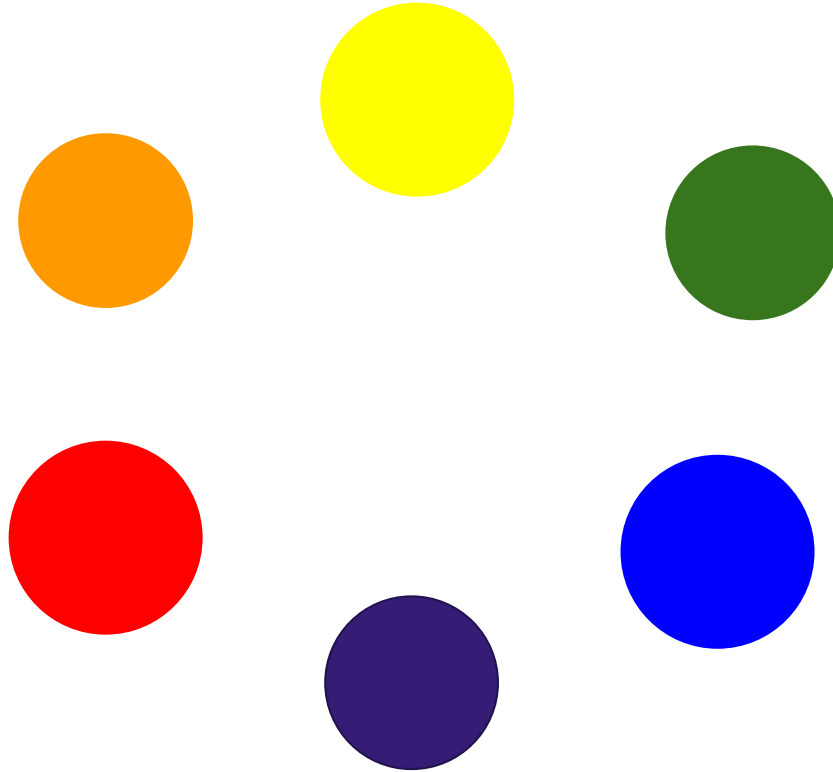

PRACTICE

Start by laying out the PRIMARY colored objects in a triangle with space inbetween for the SECONDARY and TERTIARY (intermediate) colors.

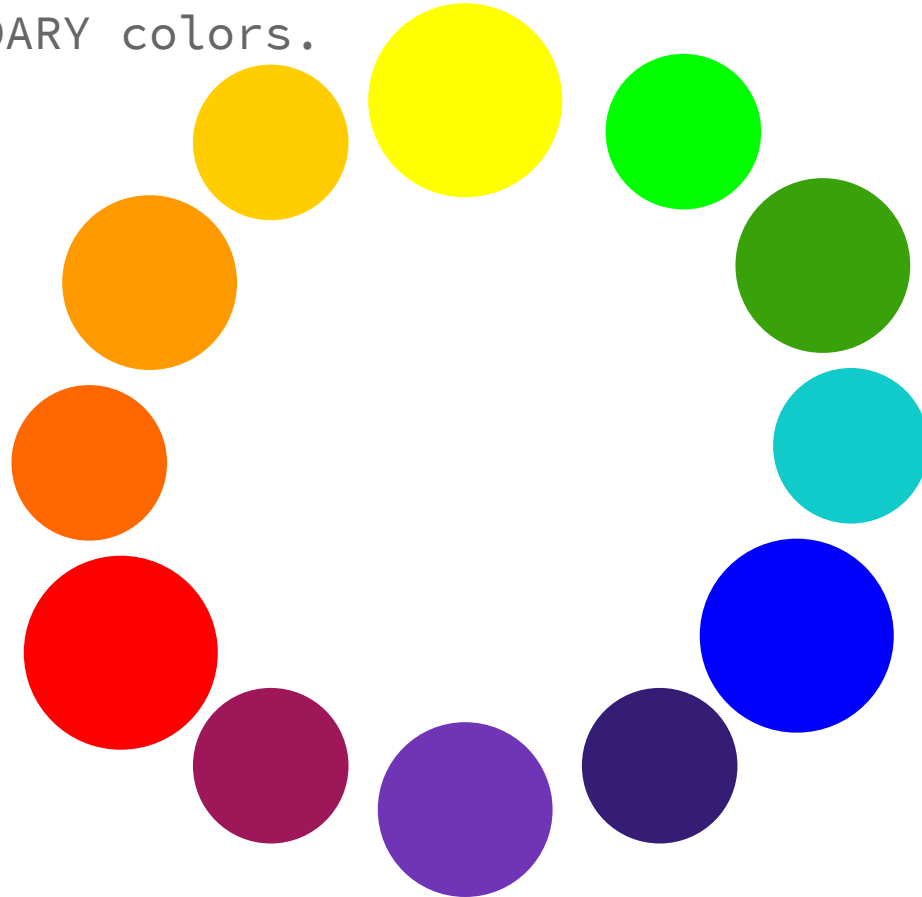

PRACTICE

Next lay out the SECONDARY colored objects between their corresponding PRIMARY colors. Don't forget to leave room for TERTIARY (intermediate) colors.

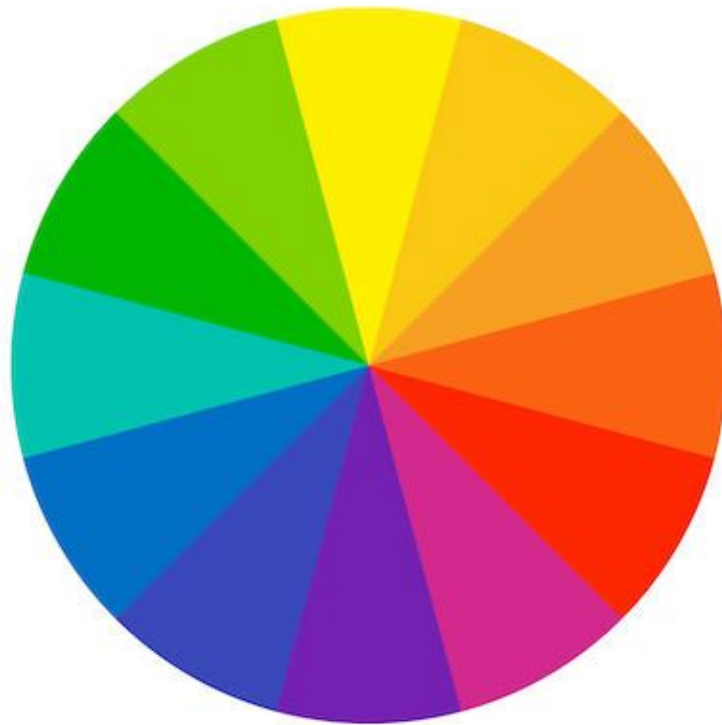

PRACTICE

Finally lay out the TERTIARY (intermediate) colored objects between their corresponding PRIMARY and SECONDARY colors.

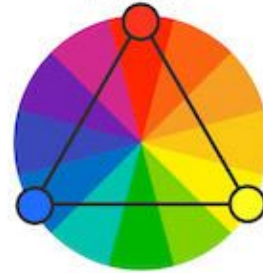

Up next:
