

# CLASS: 6TH GRADE ART

**May 13, 2020**

WEDNESDAY

- Learning Target: What is the purpose of contrast in art?

How do artist create and use contrast in their works?

What role does contrast play in optical — illusions?

Today we're going to continue the 2 drawings for our agamograph. Check out this video for the instructions for a 2 image agamograph

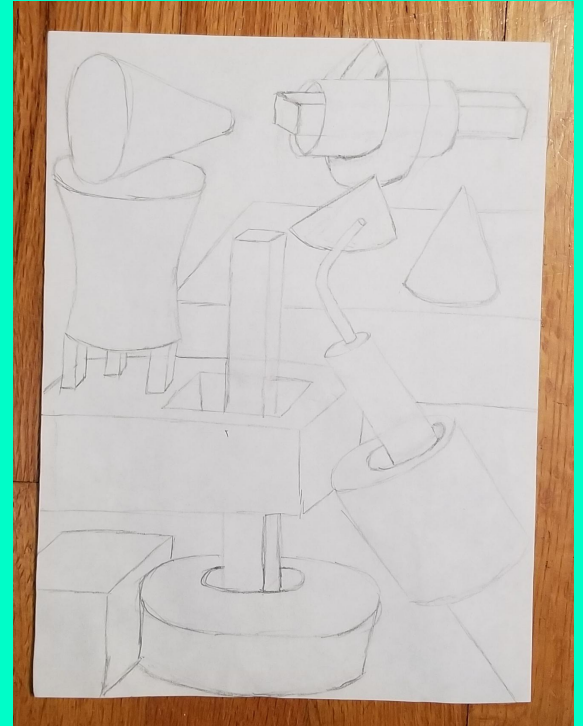

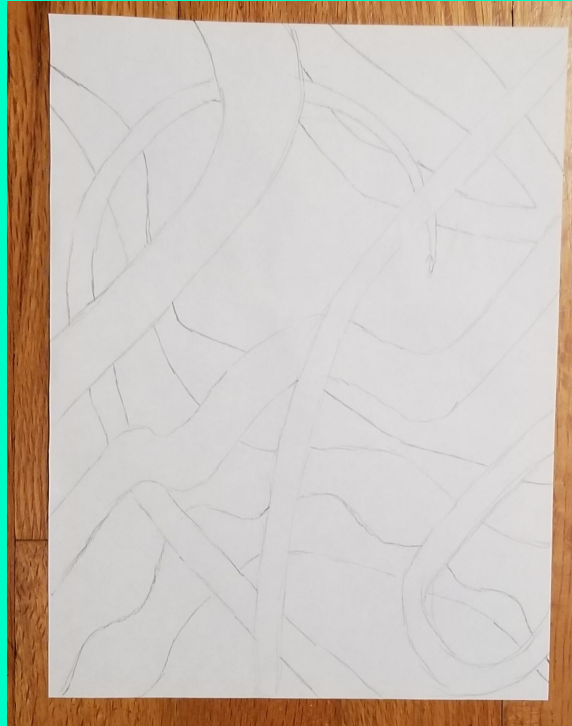

You can start the video at 2:40 for the coloring step

<https://www.youtube.com/watch?v=63wW2X6IpU4&feature=youtu.be>

This is the video which shows a 3 image agamograph if you choose to do that challenge

<https://www.youtube.com/watch?v=eKmqDCXY14c&feature=youtu.be>

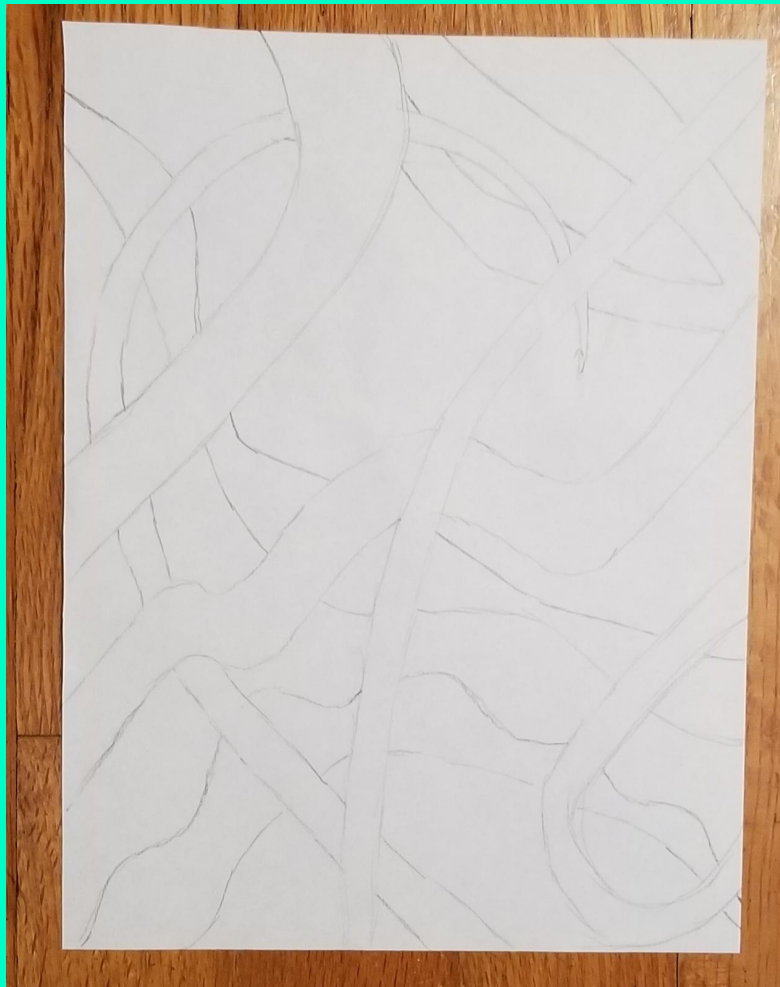

You will need the 2 pencil drawn designs you made yesterday.

Decide what contrast you will use for the coloring phase. You can use the same media on both designs or contrast the media.

The artist in the video uses washable markers on both her works.

I will use **markers** on the **line design** and **pencil shading** on the **forms** (3D shapes) in my examples to create even more contrast.

Decide which design you want to finish today.

I'll do the line design in marker today.

Since I'm going to contrast *color* with *values* in my pieces, I'll leave both backgrounds white to create some **unity** (something that ties objects together - like uniforms on teams) in my final agamograph.

# HOW TO SHOW US YOUR CREATIONS...

*BE BOLD, BE SAFE, and TAKE  
CARE OF YOU!*

*All the best,  
Ms. Fields*

We'd love to see your  
work!!!

Email your art teacher.
