

CLASS: 6TH GRADE ART

May 19, 2020

TUESDAY

- Learning Target: How are different art mediums made?

How do artists use various media in their work?

What can I create using different art media?

Today's media is colored pencil... you can either do your entire work with only colored pencil or you can draw in pencil to start then finish in colored pencil.

Please click this link to watch how colored pencils are made: <https://safeyoutube.net/w/Qw07>

Please click this link to watch how erasers are made: <https://safeyoutube.net/w/H007>

It is helpful to have the same images for these exercises so you can truly compare what the material (media) does instead of comparing the images themselves.

So if you draw a car for the previous exercise, it's best to draw the same car today. If you are using shapes and lines it's best to use the same composition (arrangement) of those shapes and lines.

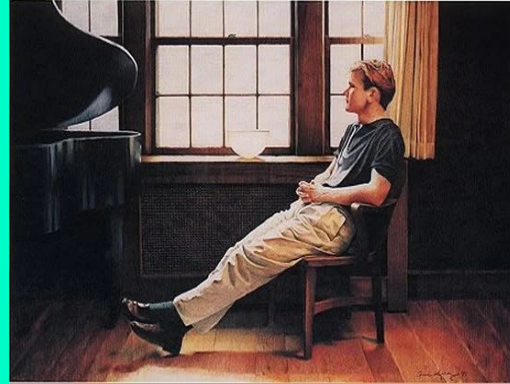

Artists use colored pencils in many ways:

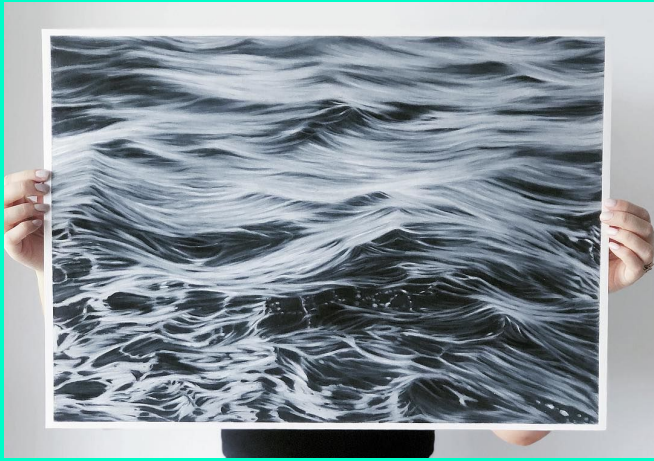

**...to
create
natural
textures**

**..to
create
detailed
designs**

**..to create hyper
realistic images**

Bethany Moffat uses colored pencil to create realistic oceans.

<https://mymodernmet.com/ocean-colored-pencil-drawings/>

Some artist even use just eraser to create their work- you can watch an artist take the challenge here

<https://www.youtube.com/watch?v=bthgvJCQIt0>

**What will you create In colored
pencil or eraser?**

HOW TO SHOW US YOUR CREATIONS...

*BE BOLD, BE SAFE, and TAKE
CARE OF YOU!*

*All the best,
Ms. Fields*

We'd love to see your
work!!!

Email your art teacher.
