

CLASS: 6TH GRADE ART

May 20, 2020

WEDNESDAY

- Learning Target: How are different art mediums made?

How do artists use various media in their work?

What can I create using different art media?

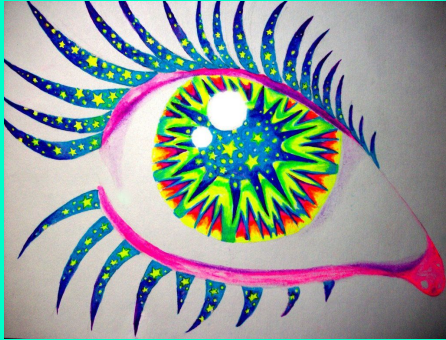

Today's media is highlighter... you can either do your entire work with only highlighter or you can draw in pencil to start then finish in highlighter.

Please click this link to watch how highlighters are made: <https://safeyoutube.net/w/Wx07>

It is helpful to have the same images for these exercises so you can truly compare what the material (media) does instead of comparing the images themselves.

So if you draw a car for the previous exercise, it's best to draw the same car today. If you are using shapes and lines it's best to use the same composition (arrangement) of those shapes and lines.

Artists use highlighters in many ways:

...for studies - close up images of objects

...for detailed designs

...for portraits showing emotion

Digital artist, Joshua Bellas, created this triptych (a group of 3 connected artworks) of Albert Bierstadt's paintings using only highlighters

You can watch an artist take the highlighter challenge here

https://www.youtube.com/watch?v=2YYuda_o0ig

**What will
you create
with
highlighters?**

HOW TO SHOW US YOUR CREATIONS...

*BE BOLD, BE SAFE, and TAKE
CARE OF YOU!*

*All the best,
Ms. Fields*

We'd love to see your
work!!!

Email your art teacher.
