Theatre Careers: Part 2

April 22, 2020

Stagecraft

Lesson: April 22, 2020

Objective/Learning Target:

TH:Pr5.1.6.b. Articulate how technical elements are integrated into a drama/ theatre work.

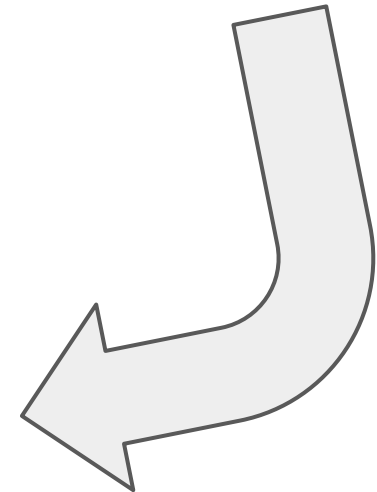

Background

This is the second lesson in part 2 of our “Theatre Careers” lesson. Please refer back to your answers for yesterday’s lesson as you continue. Most importantly, you’ll need to know the career you chose to research.

Self Assessment

1. What are 3 careers you saw today that we did not already cover in our lessons?
2. Which career in the “career options” are you most interested in learning more about and why?
3. If you had to pick one career from the list of “career options” to have as a job, which would it be and why?
4. Circle either the career you wrote about on #3 or on #4 to research more about in our next lessons

Warm Up: Quickwrite

Spend a few minutes reflecting on the career you chose last lesson. Make a list of what you have already learned about this career. Refer back to your KWL chart about this career if you have one.

Activity Directions & Practice

Today we will begin to explore HOW to research your career. Visit [GFC Global's Career Exploration Webpage](#).

Take notes on the following:

How to Research	
Research Strategies	
General Advice	

Self Assessment

1. What seven types of information should you gather in your career research? (refer back to the slideshow on the [GFC webpage](#))
2. What are two Career Research Guides you could use to learn more about your career?
3. What are two ways you could learn more about a career besides researching it online?
