Theatre Careers: Part 2

April 23, 2020

Stagecraft

Lesson: April 23, 2020

Objective/Learning Target:

TH:Pr5.1.6.b. Articulate how technical elements are integrated into a drama/ theatre work.

Background

This is the third lesson in part 2 of our “Theatre Careers” lesson. Please refer back to your answers for yesterday’s lesson as you continue. Most importantly, you’ll need to know the career you chose to research.

Warm Up: Quickwrite

Can you think of someone you know that is happy with their career? Can you think of someone who is unhappy or dissatisfied with their career? What do you think the difference is between people who are happy with their careers and those who are not?

Activity Directions & Practice

Today we will research Types of Positions, Nature of the Work, and Working Conditions. Use the career research guides you explored yesterday on [GFC Global's Career Exploration Webpage](#) or the [Center Theatre Group's Career Guide](#) to find information about your chosen career.

Types of Positions	
Nature of the Work	
Working Conditions	

Self Assessment

1. What resources did you use to determine the types of positions related to your chosen career?
2. What resources did you use to determine the nature of the work?
3. What resources did you use to determine the working conditions?
4. What is one new thing you learned today about the career you chose?
