6-8 Reading/Writing

Max's Cars

April 15, 2020

Lesson: April 15, 2020

Objective/Learning Target: Students will read a text and answer questions about it. Students will identify root words.

[Click here](#) to listen to the story. Then practice reading the story out loud.

Max loves his toy cars. Some days, he plays with them for hours. He has all different kinds of cars. Some of them are race cars, and others are trucks. He has a lot of different games he plays with them. His friends like cars too, so they trade cars with each other. Max prefers his cars to any other toy in the house.

Max loves his toy cars. Some days, he plays with them for hours. He has all different kinds of cars. Some of them are race cars, and others are trucks.
