6-8 Reading/Writing Flags

April 21, 2020

Lesson: April 21, 2020

Objective/Learning Target: Students will read a text and answer questions about it. Students will break words into syllables.

What is a syllable and how do we count them?

[Click here](#) to listen to me read the story.
Then practice reading the story out loud.

There are many different kinds of flags. They are usually in the shape of a rectangle. A flag can be held, or it can be flown. Some flags are even twirled! Flags wave in the wind. They have all sorts of designs on them. People hang flags to show respect. They may want to honor a special day.

There are many different kinds of flags. They are usually in the shape of a rectangle. A flag can be held, or it can be flown. Some flags are even twirled! Flags wave in the wind. They have all sorts of designs on them. People hang flags to show respect. They may want to honor a special day.

Question 1
