

Social Studies Virtual Learning

**6-8 EL Beginning Social
Studies**

April 15, 2020

Lesson: April 15, 2020

Objective/Learning Target: The student will read about features of the Northeast Region and identify important information.

Let's Get Started: Read about the Northeast. You can listen to it by clicking the video link

[The Northeast Video](#)

The Northeast is an important region, There are eleven states in the Northeast. The District of Columbia is in the Northeast, too.

Many finance businesses are located in the Northeast. People in finances work with money. Some people work in banks. Other people work in the stock market. They buy and sell stocks and bonds.

The communication industry is also in the Northeast. People in this industry share information with other people. Newscasters report the news in television studios. Writers report the news in newspapers and magazines. Newspaper headlines and advertisements give more information. Radios, telephones, and satellites are important, too. They carry information around the world.

There are famous landmarks in the Northeast, too. The Statue of Liberty is in New York City. The Liberty Bell is in Philadelphia. The White House is in the District of Columbia. These are important landmarks.

Find the answers in the reading.
