

ELL Virtual Learning

**Grade 6,7,8/Developing
Becoming a Better Reader**

April 13, 2020

Lesson: April 13, 2020

Objective/Learning Target:

Read a text and make inferences from it, decode words, and interpret words and phrases as they are used in a text.

Let's Get Started:

Watch this video about Main Idea:

<https://www.youtube.com/watch?v=LbO3IRXT0ww>

Read the text and answer the question

Getting sick is part of life. Yet it does not have to happen all the time! Some people get shots to help them stay healthy. These shots are called *immunizations*. They keep the immune system healthy. This system helps the body fight illnesses. People can boost their immune systems. They do this by eating well, getting rest, and exercising.

1. What is this text about?
- (A) The text is about life.
 - (B) The text is about illnesses.
 - (C) The text is about being apart from someone you love.
 - (D) The text is about injuries.

Read the text and answer the question
