Clowning Around

May 22, 2020

6th Grade Foreign Cultures

Lesson: May 22, 2020

Objective/Learning Target:

I can analyze relationships and interactions within and between human and physical systems to explain reciprocal influences that occur among them.

Warm Up: There are many references in our culture that show how important laughter and humor are to us. Phrases such as “laughter is the best medicine” or the celebrity of comedians such as Robin Williams and Kevin Hart show that we value

How can humor improve a society?

Perhaps you have seen people wearing red clown noses as part of a charity event. Red Nose Day is May 21 and people around the globe wear a red clown nose to fight childhood poverty, a problem that we face in our community.

Explore the [website](#) for this charity to see what supporters are doing.

Now search for other organizations or events that use humor or comedy to bring attention to efforts to fight for a cause. There are local programs here in Kansas City and global efforts to use laughter to help other people.

Create a short slideshow about the organization. Include:

- Name of the organization
- What is the purpose of the organization?
- How is laughter or humor used to bring awareness to the cause?
