**Can you write as if you are Justin's mother
from the video?**

Foreign Language Virtual Learning

Writing Assignment:

After Justin realizes that he has been tricked by his mother into going to school on a Saturday, he walks home (a long, long way). When he finally gets home, he finds the door locked and a note nailed to the door that is addressed to him. It's from his Mom.

Write what you think the note says.

You may write on paper, scan or create a google doc. Send it or share with your teacher.
