

# Homeroom Virtual Learning

# 7th Grade Homeroom

**May 20, 2020**

7th Grade Homeroom  
Lesson: May 20, 2020

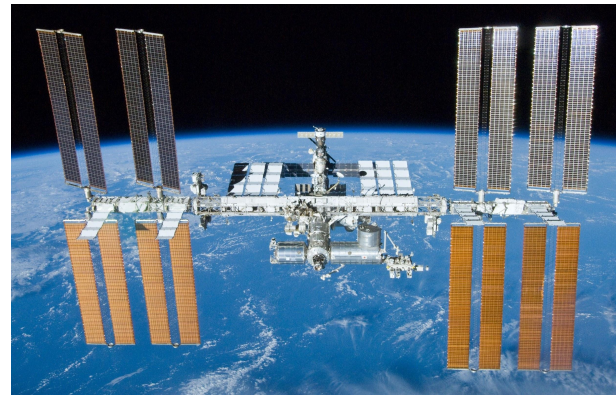

**Objective/Learning Target:**

*I can describe what life would be like on the International Space Station*

So, today, we are going to visit a place that is OUT OF THIS WORLD...the International Space Station! So...buckle up and let's get this trip started!

## Virtual Trip to the International Space Station!

Feel free to watch the other tours as well!

Writing!

On a sheet of paper, write about the tour!

- 1) What did you see?
- 2) What did you learn?
- 3) What you want to know more about?
- 4) Do you think you could live here for a year?
