

AVID Homeroom Virtual Learning

7th Grade AVID Homeroom

May 15th, 2020

7th Grade AVID Homeroom
Lesson: May 15th, 2020

Objective/Learning Target:

I can use my knowledge about the ISD Academies to help me see real world applications in career options.

Bellwork

1. Let's recap what you have learned from the previous days. Take out your notes from the week over the “Industrial Technology Academy” and the “Public Service Academy.”

1. Pick one of the careers in each of the 7 pathways for the Industrial Technology Academy that you think would be the most interesting to work at.
2. On a separate sheet of paper, make this table. There are 7 pathways and so there will be six slides...don't get confused! Columns are different widths. Design them as you need to!

	Construction	Drafting & Engineering	Welding	Computer Integrated Machining & Manufacturing	Automotive	Manufacturing	Industrial Technology
What college degree/certifications would you need to be able to pursue this career?							

Industrial Technology Academy Careers

	Construction	Drafting & Engineering	Welding	Computer Integrated Machining & Manufacturing	Automotive	Manufacturing	Industrial Technology
Where would you have to live in order to do this career?							
How much money would you average annually at this career?							

Industrial Technology Academy Careers

	Construction	Drafting & Engineering	Welding	Computer Integrated Machining & Manufacturing	Automotive	Manufacturing	Industrial Technology
What is the job outlook over the next 10 years?							
Hours worked per week & shift options?							
What kind of health and retirement benefits are available?							

Industrial Technology Academy Careers

**Fill out the table to the best of your ability by doing research.
Here is a good website to use [Bureau of Labor Statistics](#)**

1. Pick one of the careers in each of the 5 pathways for the Business Academy that you think would be the most interesting to work at.
2. On a separate sheet of paper, make this table. (cont'd on next slide)

	Social Services	Leadership (JROTC)	Public Safety	International Studies	Political Science	Pre-Law
What college degree/certifications would you need to be able to pursue this career?						

Public Service Academy

	Social Services	Leadership (JROTC)	Public Safety	International Studies	Political Science	Pre-Law
Where would you have to live in order to do this career?						
How much money would you average annually at this career?						
What is the job outlook over the next 10 years?						

Public Service Academy

	Social Services	Leadership (JROTC)	Public Safety	International Studies	Political Science	Pre-Law
Hours worked per week & shift options.						
What kind of health and retirement benefits are available?						

Fill out the table to the best of your ability by doing research.

Conclusion

1. Create a One Pager over your favorite career from the Industrial Technology Academy and over your favorite career from the Public Services Academy.
2. Things to Include
 - a. Title of Career
 - b. Average Annual Salary
 - c. Certification/Degree Requirements
 - d. Courses to take in high school
 - e. Why you could see yourself pursuing that career

Make sure you keep this One Pager in a safe place so as you are going through high school you can reference back to it and remember what your end goal is.
